SPARKLES, JAZZ AND A LOT OF PIZAZZ!

ABOUT THIS EVENT

The Down Syndrome Society of Wichita holds its annual Jokers and Jazz event each April, recognizing community champions who go above and beyond in support of the special needs community, while providing support for its programs. The evening features live jazz, dinner, awards and an hour of comedy from a nationally - recognized comedian.

This year marks the event's sixth anniversary. Supporters are needed to make an impact in the lives of adults seeking independence, children needing accessible programs and families looking for resources. All funds raised remain local and support the organization's programs and initiatives into its next fiscal year.
